Office of Communications Vital Documents Storage at [REDACTED]

25X1A6a

In order to provide adequately compartmented storage space for Office of Communications documents in the CIA VITAL MATERIALS VAULT at the [REDACTED]

25X1A6a

25X1A6a [REDACTED] it is requested that arrangements be made for the construction of an enclosure similar to that provided for DDP/[REDACTED]. While the location of the proposed Office of Communications enclosure is not critical, it is suggested that it be adjacent to the DDP/[REDACTED] cage, of similar material and size.
